Pendant luminaire

With its remarkable elegance, the GIRO ring luminaire integrates seamlessly into Regent's clear and simple design language and amazes with its perfectly illuminated circle throughout. High-quality, curved aluminium, precisely crafted down to the last detail, forms the impressive design. The diffuser, made from a round extruded profile, not only results in an uninterrupted, trouble-free light pattern, but is also manufactured in a particularly resource-friendly way. The innovative bendable and integrated control gear is housed in the luminaire and results in a pure, perfect, round light.

FEATURES

High quality and seamless welded aluminum housing
Cover in polycarbonate (PC)
Control gear always integrated in the luminaire
Diffuser with only one cutting edge
Harmonious size ratio of diameter to luminaire housing
Direct and indirect light controllable together
Easy assembly without access to the electrical insert

SPECIFICATIONS

Height 77 mm / Width 60 mm
indirect-direct light emission or direct only
Dimmable digital DALI
Housing colours: white, black, silver
Driver always integrated in the luminaire
Opal diffuser
Also available as ceiling mounted luminaire

FIELDS OF APPLICATION

Office & Education: meeting rooms, offices, cafeterias, foyers and lobbies, corridors, staircases
Retail & Hospitality: hotels, reception areas, circulation zones
